Life is 10% what happens to you and 90% how you react to it- Charles R. Swindoll

Employee of the Month: DuJuana (Lala) Neal

DuJuana Neal, who also was known as Lala by most people, started working for Supporting Unlimited Possibilities Inc. back in 2007. She started working at the Mack House Residential Care and bounced around working at 6 different houses. After a while Lala was selected to open up a new venture known as the S.U.P.'s Day Program. On May 1, 2014 Lala and Assistant Director Zachary Zuccolotto opened the Day Program with their first consumer, Spencer. She was responsible for the program until January 26, 2016, where she parted ways with the company to move to Tennessee. While staff and consumers alike will miss her; we all wish her the best of luck in her new adventures and hope to see her again someday.

Employee of the Month: Will Smith

Will started at S.U.P. Day Program back in August and is leaving in hopes to get drafted into pro football. Since he has been here he has been always willing to help both staff and consumers with whatever they need. Whether it's working with gate staff or playing a game of football with the consumers. Will is always sporting a smile and willing to go the extra mile for his job.
